DOMINIS SVIS DEBITA ANIMI summißione ſuſpiciendis.

MVSICAM artem, Magnifici, Prudentiſſimi, Spectatiſſimiq́, Viri, Nobiliſſimis veſtris Præſtantijs commendare ſi vellem, laterem me lavare, ſanè ex meo audirem merito. Quòd ſi enim ulla in hisce maritimis Oris Vrbs eſt: quæ Muſicam magnifacit artem; ejuſdemq́, Cultores amat: Certè GEDANVM eſt: Vrbs hoc ſeculo florentiſſima; & à Viris Doctiſſimis, & Muſicis peritiſſimis inſtructiſſima. Agnoſcitis nimirùm, non tantùm Artem hanc Origine ſua vetuſtiſſimam, verùm etiam donum Omnipotentis Dei, cœlitùs hominibus datum, præſtantiſſimum eſſe: utpote quæ ſolius Dei gloriæ potiſſimùm inſervit: impetus mali Spiritus propellit: ad Pietatem, ſi modò pia ſit & Chriſtiana, bonosq́; mores animum inflectit: ſenſus mira ſonorum jucunditate permovet: affectus moderatur: animi dolores mitigat; & ad lætitiam inflammat. Eam ob cauſſam Muſica non tantùm in Eccleſijs veſtris; verùm etiam in alijs congregationibus publicis, non

sine magnis vestris sumtibus, & præmijs amplissimis, quæ in hanc Artem, quod à fide dignis accepi, liberalitate penè Regia impenditis, usurpatur quotidiè. Compertum habetis, eum ad modum Ecclesiam veterem Psalmis Dei laudes celebrâsse: & Christianos, Plinij testimonio, Hymnos antelucanos decantare Christo suo solitos: immò, quod Tertullianus in Apologetico suo refert, fidelium cœnas, corpore frugaliter, atq; honestè refecto, Musicâ, voluptatis gratiâ, decoratas fuisse. Apostolorum verò tempore quo fuerit in loco Musica, Paulus Apostolus non obscurus est testis. Omninò enim in Psalmis, Hymnis, & Canticis Spiritualibus canere, & gratias agere Deo in omnibus, Ephesinam à se ritè plantatam, & Colossensem docet Ecclesiam.

Quod si verò ullo tempore fuit exculta Musica: certè hoc ultimo nostro seculo eleganter est exculta. Canimus enim non tantùm quatuor, quinq;, sex, vel Octo: sed 10, 12, 16, & pluribus vocibus; numerorum & proportionum artificio tam ingeniosè, & ad miraculum usq; consociatis: ut fateri oporteat; non Hominis, sed ipsius Spiritus Sancti, Musicam hanc Poëticam, cum Artibus & Disciplinis alijs, inventum esse. Multum autem refert, quam ad rem Naturæ quodam ductu quis feratur. Nihil enim invitâ dices, faciesvè Minervà. Philosophantur non pari felicitate omnes, Philosophos qui se nominant. Neq; dicendi sunt omnes periti Oratores; esse qui volunt. Ita in tam numerosa Musicorum turba, neq; omnes sunt pares, neq; omnes ad unam eandemq; collimant metam, qui sunt circa hanc Artem exercendam occupati. Offert tamen Ecclesiæ Dei, cœtuiq; piorum vnusquisq; id, quod accepit à Domino. Ad me quod pertinet, Viri Magnifici, Domini honorandi; non diffiteor, Naturæ quodam impetu, ad Artem Musicam à primis incunabulis me quasi raptum esse: Quam quidem horis succisivis, quoties à studijs Theologicis gravioribus, & occupationibus alijs paululum ocij mihi concessum est, hactenus exercui, atq; verò adhuc in laudem Dei, & ut meipsum officij mei laboribus, alijsq; curis defatigatum recreem, interdum exerceo; Musicæ vel Instrumentali, vel Cantilenarum variarum vocum compositioni tempus aliquod tribuens. Neq; mihi Verbi Ministro vitio posse verti confido: quòd gravitate, quæ nostrum decet ordinem, quasi remotâ, amabilem,

&

& flexanimam illam Musicam cum studio Theologico conjungo. Nam & Regius ille Propheta David Psalmos cecinit; & Citharam pulsavit: & circa fœderis Arcam magno cum tripudio saltavit: Immò & Cantorum Ordines in Domo Domini, tàm vocali, quàm Instrumentali Deum laudantes Musicâ, constitutos ab eo fuisse, Chronicorum liber abundè testatur. Taceo, quòd talentum illud, quod mihi benignissimus Deus noster in hujus Artis exercitatione cum multis alijs concredidit, non suffodiendum, sed cum eo lucrandum esse, Conscientia mea subinde mihi stimulum addit. Etsi verò hactenus persuaderi non potui: ut labores meos Musicos in publicum spargerem: vicerunt tamen suis me precibus tandem amici: ut, mutatâ sententiâ, typis eos exscriptos cum alijs communicare decreverim. Quantum in ijs præstiterim, judicent alij: qui sunt fundamentaliter hac in Arte versati. Mihi pergratum erit; præstantibus Artificibus æquiparari si nequeo; saltem in imis ut hæream subsellijs; & bonorum habeam testimonium, si maximè facultas desideretur, mihi tamen, & Deum celebrandi, & aures, animosq; auditorum demulcendi voluntatem non defuisse.

Vestris autem Magnificentijs, Viri Spectatissimi, primitias harum mearum Cantionum dedicare volui: propter Vrbis vestræ, & Reipublicæ splendorē; & quod Musicâ vos delectari, quòd initiò monui, multorum sermonibus ubiq; spargitur. Veniam igitur mihi dabunt M.V.; quòd Eas tam audacter compello: & eo accipient hoc levidense munus animo, ex quo profectum est; benevolo nimirùm, & ornandi Vrbem vestram, & M. V. studiosissimo. Quod si vitæ mihi usuram longiorem vitæ nostræ largitor concesserit: totus in id ero: ut toti Christiano Orbi Nominis vestri celebritas innotescat. Benè valeant M. V. & me, studiaq; mea commendata sibi habeant. Gryphenbergæ Pomeranorum, Kalend. Octob. Anno post virgineum partum 1607.

NOVARVM CANTIONVM; REVERENDI, ET DOCTISSIMI VIRI: DN. MAGISTRI IOACHIMI MARCI: Pastoris & Præpositi Ecclesiæ & Synodi Gryphenbergensis in Pomerania: MVSICI excellentissimi:

Amicorum Epigrammata, & προφωνήσεις.

MArce, quid exspectas? quin tandem, Numine fausto,
Ingenij, quod habes, divitis illud opus
Edis in hanc lucem? ne, quaeso, reconde talentum,
Quod te cum lucro reddere mandat Herus.
Audiat haec praesens, & postera concinat aetas,
Carmina, Chalcographis publica facta typis.
Crede; Deo gratum libabis aroma: volabit
Et tua doctorum fama per ora virûm.
Quin etiam invenies, qui praemia digna rependent,
Quos recreat Cantu Musica blanda suo.
Sed majora dabit, post ultima fata, IEHOVA:
Quando reservatas percipiemus opes.
Tunc quoq; cœlesti, cum sanctis, sede receptus
Aligeros fratres Musicus inter eris.

M. ADAM HAMEL: Superintendens Ecclesiarum in Pomerania: in Diœcesi Camminensi.

ἀναγραμμα.

IOI MVSICAM CVRAS.

HArmonico quem non flectit sacra Musica flexu,
Nec reficit docili pollice tacta Chelys:
Aut lapis, aut lepus, aut lupus est, aut truncus agrestis,
Qui motum nescit, qui ratione caret.

Particula

Particula illa animæ longè divinior est: quæ
Organicis gaudet flexibus atq; sonis.
MARCE DEI Mystes, tuus è meliore metallo
Formatus sanguis, vivificusq; vigor.
Psallis Io! pulcro pulcros modulamine Cantus.
MVSICAM amas, CVRAS, practicus eximius.
Quàm benè conveniunt, & in una mente locantur,
Mysta Deumq; docens, Mysta Deumq, canens!

M. Paulus Rutingius, P. L. C.

ALIVD.

MARCORVM genus, ingenium, solertia, Virtus,
Laudem merentur (credite) debitam.
Adsurgunt, nomenq; suum super æthera tollunt
MARCI; sibi concredita munera.
Promentes promant posthac quod floreat usq;,
CHRISTO DEO quod serviat undiq;.
Tu IOACHIME facis. facias Ioachime deinceps,
Apollo quem Cantor catus instruit.
Sacra sacer Prases nobis apponere gaudes
Quæ sacra condis dulcisonâ Cheli.
Intima subsultant, ego cùm tua Musica tracto,
Quæ tracto lætus, lætus ad omnia.
O bone perge Dei lautas diffundere laudes:
Cœlestis ut tu Musicus audias.
Qui laudat Christum terreno carcere clausus,
Laudabit illum liber in æthere.

DOMINIS SVIS DEBITA ANIMI summißione ſuſpiciendis.

MVSICAM artem, Magnifici, Prudentiſſimi, Spectatiſſimiq́, Viri, Nobiliſſimis veſtris Præſtantijs commendare ſi vellem, laterem me lavare, ſane ex meo audirem merito. Quod ſi enim ulla in hisce maritimis Oris Vrbs eſt: quæ Muſicam magniſacit artem; ejuſdemq́, Cultores amat: Certè GEDANVM eſt: Vrbs hoc ſeculo florentiſſima; & à Viris Doctiſſimis, & Muſicis peritiſſimis inſtructiſſima. Agnoſcitis nimirùm, non tantùm Artem hanc Origine ſua vetuſtiſſimam, verùm etiam donum Omnipotentis Dei, cœlitùs hominibus datum, præſtantiſſimum eſſe: utpote quæ ſolius Dei gloriæ potiſſimùm inſervit: impetus mali Spiritus propellit: ad Pietatem, ſi modo pia ſit & Chriſtiana, bonosq́; mores animum inflectit: ſenſus mira ſonorum jucunditate permovet: affectus moderatur: animi dolores mitigat; & ad lætitiam inflammat. Eam ob cauſſam Muſica non tantùm in Eccleſijs veſtris; verùm etiam in alijs congregationibus publicis, non

sine magnis vestris sumtibus, & præmijs ampliſſimis, quæ in hanc Artem, quod à fide dignis accepi, liberalitate penè Regia impenditis, usurpatur quotidiè. Compertum habetis, eum ad modum Eccleſiam veterem Pſalmis Dei laudes celebrâſſe: & Chriſtianos, Plinij teſtimonio, Hymnos antelucanos decantare Chriſto ſuo ſolitos: immò, quod Tertullianus in Apologetico ſuo refert, fidelium cœnas, corpore frugaliter, atq; honeſtè refecto, Muſicâ, voluptatis gratiâ, decoratas fuiſſe. Apoſtolorum verò tempore quo fuerit in loco Muſica, Paulus Apoſtolus non obſcurus eſt teſtis. Omninò enim in Pſalmis, Hymnis, & Canticis Spiritualibus canere, & gratias agere Deo in omnibus, Epheſinam à ſe ritè plantatam, & Coloſſenſem docet Eccleſiam.

Quod ſi verò ullo tempore fuit exculta Muſica: certè hoc ultimo noſtro ſeculo eleganter eſt exculta. Canimus enim non tantùm quatuor, quinq;, ſex, vel Octo: ſed 10, 12, 16, & pluribus vocibus; numerorum & proportionum artificio tam ingenioſè, & ad miraculum uſq; conſociatis: ut fateri oporteat; non Hominis, ſed ipſius Spiritus Sancti, Muſicam hanc Poëticam, cum Artibus & Diſciplinis alijs, inventum eſſe. Multum autem refert, quam ad rem Naturæ quodam ductu quis feratur. Nihil enim invitâ dices, faciesvè Minervâ. Philoſophantur non pari felicitate omnes, Philoſophos qui ſe nominant. Neq; dicendi ſunt omnes periti Oratores; eſſe qui volunt. Ita in tam numeroſa Muſicorum turba, neq; omnes ſunt pares, neq; omnes ad unam eandemq; collimant metam, qui ſunt circa hanc Artem exercendam occupati. Offert tamen Eccleſiæ Dei, cœtuiq; piorum vnusquiſq; id, quod accepit à Domino. Ad me quod pertinet, Viri Magnifici, Domini honorandi; non diffiteor, Naturæ quodam impetu, ad Artem Muſicam à primis incunabulis me quaſi raptum eſſe: Quam quidem horis ſucciſivis, quoties à ſtudijs Theologicis gravioribus, & occupationibus alijs paululum ocij mihi conceſſum eſt, hactenus exercui, atq; verò adhuc in laudem Dei, & ut meipſum officij mei laboribus, alijsq; curis defatigatum recreem, interdum exerceo; Muſicæ vel Inſtrumentali, vel Cantilenarum variarum vocum compoſitioni tempus aliquod tribuens. Neq; mihi Verbi Miniſtro vitio poſſe verti confido: quod gravitate, quæ noſtrum decet ordinem, quaſi remotâ, amabilem,

&

& flexanimam illam Musicam cum studio Theologico conjungo. Nam & Regius ille Propheta David Psalmos cecinit; & Citharam pulsavit: & circa fœderis Arcam magno cum tripudio saltavit: Immo & Cantorum Ordines in Domo Domini, tàm vocali, quàm Instrumentali Deum laudantes Musicâ, constitutos ab eo fuisse, Chronicorum liber abundè testatur. Taceo, quòd talentum illud, quod mihi benignissimus Deus noster in hujus Artis exercitatione cum multis alijs concredidit, non suffodiendum, sed cum eo lucrandum esse, Conscientia mea subinde mihi stimulum addit. Etsi verò hactenus persuaderi non potui: ut labores meos Musicos in publicum spargerem: vicerunt tamen suis me precibus tandem amici: ut, mutatâ sententiâ, typis eos exscriptos cum alijs communicare decreverim. Quantum in ijs præstiterim, judicent alij: qui sunt fundamentaliter hac in Arte versati. Mihi pergratum erit; præstantibus Artificibus æquiparari si nequeo; saltem in imis ut hæream subsellijs; & bonorum habeam testimonium, si maximè facultas desideretur, mihi tamen, & Deum celebrandi, & aures, animosq; auditorum demulcendi voluntatem non defuisse.

Vestris autem Magnificentijs, Viri Spectatissimi, primitias harum mearum Cantionum dedicare volui: propter Vrbis vestræ, & Reipublicæ splendorẽ: & quòd Musicâ vos delectari, quod initiò monui, multorum sermonibus ubiq; spargitur. Veniam igitur mihi dabunt M.V.; quòd Eas tam audacter compello: & eo accipient hoc levidense munus animo, ex quo profectum est; benevolo nimirùm, & ornandi Vrbem vestram, & M. V. studiosissimo. Quod si vitæ mihi usuram longiorem vitæ nostræ largitor concesserit: totus in id ero: ut toti Christiano Orbi Nominis vestri celebritas innotescat. Benè valeant M. V. & me, studiaq; mea commendata sibi habeant. Gryphenbergæ Pomeranorum, Kalend. Octob. Anno post virgineum partum 1607.

Amicorum Epigrammata, & προσφωνήσεις.

MArce, quid exspectas? quin tandem, Numine fausto,
Ingenij, quod habes, divitis illud opus
Edis in hanc lucem? ne, quæso, reconde talentum,
Quod te cum lucro reddere mandat Herus.
Audiat hæc præsens, & postera concinat ætas,

Crede; Deo gratum libabis aroma: volabit
Et tua doctorum fama per ora virûm.
Quin etiam invenies, qui præmia digna rependent,
Quos recreat Cantu Musica blanda suo.
Sed majora dabit, post ultima fata, IEHOVA:
Quando reservatas percipiemus opes.
Tunc quoq; cœlesti cum sanctis, sede receptus
Aligeros fratres Musicus inter eris.

DOMINIS SVIS DEBITA ANIMI summißione ſuſpiciendis.

MVSICAM artem, Magnifici, Prudentiſſimi, Spectatiſſimiq́, Viri, Nobiliſſimis veſtris Præſtantijs commendare ſi vellem, laterem me lavare, ſane ex meo audirem merito. Quod ſi enim ulla in hiſce maritimis Oris Vrbs eſt: quæ Muſicam magnifacit artem; ejuſdemq́, Cultores amat: Certè GEDANVM eſt: Vrbs hoc ſeculo florentiſſima; & à Viris Doctiſſimis, & Muſicis peritiſſimis inſtructiſſima. Agnoſcitis nimirùm, non tantùm Artem hanc Origine ſua vetuſtiſſimam, verùm etiam donum Omnipotentis Dei, cœlitùs hominibus datum, præſtantiſſimum eſſe: utpote quæ ſolius Dei gloriæ potiſſimùm inſervit: impetus mali Spiritus propellit: ad Pietatem, ſi modo pia ſit & Chriſtiana, bonosq́; mores animum inflectit: ſenſus mira ſonorum jucunditate permovet: affectus moderatur: animi dolores mitigat; & ad lætitiam inflammat. Eam ob cauſſam Muſica non tantùm in Eccleſijs veſtris; verùm etiam in alijs congregationibus publicis, non

sine magnis vestris sumtibus, & præmijs ampliſſimis, quæ in hanc Artem, quod à fide dignis accepi, liberalitate penè Regia impenditis, usurpatur quotidiè. Compertum habetis, eum ad modum Eccleſiam veterem Pſalmis Dei laudes celebrâſſe: & Chriſtianos, Plinij teſtimonio, Hymnos antelucanos decantare Chriſto ſuo ſolitos: immò, quod Tertullianus in Apologetico ſuo refert, fidelium cœnas, corpore frugaliter, atq; honeſtè refecto, Muſicâ, voluptatis gratiâ, decoratas fuiſſe. Apoſtolorum verò tempore quo fuerit in loco Muſica, Paulus Apoſtolus non obſcurus eſt teſtis. Omninò enim in Pſalmis, Hymnis, & Canticis Spiritualibus canere, & gratias agere Deo in omnibus, Epheſinam à ſe ritè plantatam, & Coloſſenſem docet Eccleſiam.

Quod ſi vero ullo tempore fuit exculta Muſica: certè hoc ultimo noſtro ſeculo eleganter eſt exculta. Canimus enim non tantùm quatuor, quinq;, ſex, vel Octo: ſed 10, 12, 16, & pluribus vocib[illegible], numerorum & proportionum artificio tam ingenioſe, & ad miraculum uſq; conſociatis: ut fateri oporteat; non Hominis, ſed ipſius Spiritus Sancti, Muſicam hanc Poëticam, cum Artibus & Diſciplinis alijs, inventum eſſe. Multum autem refert, quam ad rem Naturæ quodam ductu quis feratur. Nihil enim invitâ dices, facies vè Minervà. Philoſophantur non pari felicitate omnes, Philoſophos qui ſe nominant. Neq; dicendi ſunt omnes periti Oratores; eſſe qui volunt. Ita in tam numeroſa Muſicorum turba, neq; omnes ſunt pares, neq; omnes ad unam eandemq; collimant metam, qui ſunt circa hanc Artem exercendam occupati. Offert tamen Eccleſiæ Dei, cœtuiq; piorum vnusquiſq; id, quod accepit à Domino. Ad me quod pertinet, Viri Magnifici, Domini honorandi; non diffiteor, Naturæ quodam impetu, ad Artem Muſicam à primis incunabulis me quaſi raptum eſſe: Quam quidem horis ſucciſivis, quoties à ſtudijs Theologicis gravioribus, & occupationibus alijs paululum ocij mihi conceſſum eſt, hactenus exercui, atq; verò adhuc in laudem Dei, & ut meipſum officij mei laboribus, alijsq; curis defatigatum recreem, interdum exerceo; Muſicæ vel Inſtrumentali, vel Cantilenarum variarum vocum compoſitioni tempus aliquod tribuens. Neq; mihi Verbi Miniſtro vitio poſſe verti confido: quòd gravitate, qu[illegible] noſtrum decet ordinem, quaſi remotâ, amabilem,

&

& flexanimam illam Musicam cum studio Theologico conjungo. Nam & Regius ille Propheta David Psalmos cecinit; & Citharam pulsavit: & circa fœderis Arcam magno cum tripudio saltavit: Immò & Cantorum Ordines in Domo Domini, tàm vocali, quàm Instrumentali Deum laudantes Musicâ, constitutos ab eo fuisse, Chronicorum liber abundè testatur. Taceo, quòd talentum illud, quod mihi benignissimus Deus noster in hujus Artis exercitatione cum multis alijs concredidit, non suffodiendum, sed cum eo lucrandum esse, Conscientia mea subinde mihi stimulum addit. Etsi verò hactenus persuaderi non potui: ut labores meos Musicos in publicum spargerem: vicerunt tamen suis me precibus tandem amici: ut, mutatâ sententiâ, typis eos exscriptos cum alijs communicare decreverim. Quantum in ijs præstiterim, judicent alij: qui sunt fundamentaliter hac in Arte versati. Mihi pergratum erit; præstantibus Artificibus æquiparari si nequeo; saltem in imis ut hæream subsellijs; & bonorum habeam testimonium, si maximè facultas desideretur, mihi tamen, & Deum celebrandi, & aures, animosq; auditorum demulcendi voluntatem non defuisse.

Vestris autem Magnificentijs, Viri Spectatissimi, primitias harum mearum Cantionum dedicare volui: propter Vrbis vestræ, & Reipublicæ splendorē: & quòd Musicâ vos delectari, quod initiò monui, multorum sermonibus ubiq; spargitur. Veniam igitur mihi dabunt M.V.; quòd Eas tam audacter compello: & eo accipient hoc levidense munus animo, ex quo profectum est; benevolo nimirùm, & ornandi Vrbem vestram, & M. V. studiosissimo. Quod si vitæ mihi usuram longiorem vitæ nostræ largitor concesserit: totus in id ero: ut toti Christiano Orbi Nominis vestri celebritas innotescat. Benè valeant M. V. & me, studiaq; mea commendata sibi habeant. Gryphenbergæ Pomeranorum, Kalend. Octob. Anno post virgineum partum 1607.

MArce, quid exspectas? quin tandem, Numine fausto,
Ingenij, quod habes, divitis illud opus
Edis in hanc lucem? ne, quæso, reconde talentum,
Quod te cum lucro reddere mandat Herus.

Et tua doctorum fama per ora virûm.

Quos recreat Cantu Musica blanda suo.

DN. BVRGGRAVIO, PRÆCONSVLI, ET CONSVLIBVS; *NEC NON TOTI SPLENDIDISSIMO Ordini Senatorio Incytæ Regiæ Civitatis* GEDANENSIS.

DOMINIS SVIS DEBITA ANIMI summißione ſuſpiciendis.

MVSICAM artem, Magnifici, Prudentiſſimi, Spectatiſſimiq; Viri, Nobiliſſimis veſtris Præſtantijs commendare ſi vellem, laterem me lavare, ſane ex meo audirem merito. Quod ſi enim ulla in hisce maritimis Oris Vrbs eſt: quæ Muſicam magnifacit artem; ejuſdemq; Cultores amat: Certè GEDANVM eſt: Vrbs hoc ſeculo florentiſſima; & à Viris Doctiſſimis, & Muſicis peritiſſimis inſtructiſſima. Agnoſcitis nimirùm; non tantùm Artem hanc Origine ſua vetuſtiſſimam, verùm etiam donum Omnipotentis Dei, cœlitùs hominibus datum, præſtantiſſimum eſſe: utpote quæ ſolius Dei gloriæ potiſſimùm inſervit: impetus mali Spiritus propellit: ad Pietatem, ſi modo pia ſit & Chriſtiana, bonosq; mores animum inflectit: ſenſus mira ſonorum jucunditate permovet: affectus moderatur: animi dolores mitigat; & ad lætitiam inflammat. Eam ob cauſſam Muſica non tantùm in Eccleſijs veſtris; verùm etiam in alijs congregationibus publicis, non

sine magnis vestris sumtibus, & præmijs amplissimis, quæ in hanc Artem, quod à side dignis accepi, liberalitate penè Regia impenditis, usurpatur quotidiè. Compertum habetis, eum ad modum Ecclesiam veterem Psalmis Dei laudes celebrâsse: & Christianos, Plinij testimonio, Hymnos antelucanos decantare Christo suo solitos; immò, quod Tertullianus in Apologetico suo refert, fidelium cœnas, corpore frugaliter, atq; honestè refecto, Musicâ, voluptatis gratiâ, decoratas fuisse. Apostolorum verò tempore quo fuerit in loco Musica, Paulus Apostolus non obscurus est testis. Omninò enim in Psalmis, Hymnis, & Canticis Spiritualibus canere, & gratias agere Deo in omnibus, Ephesinam à se ritè plantatam, & Colossensem docet Ecclesiam.

Quod si verò ullo tempore fuit exculta Musica: certè hoc ultimo nostro seculo eleganter est exculta. Canimus enim non tantùm quatuor, quinq;, sex, vel Octo: sed 10, 12, 16, & pluribus vocibus; numerorum & proportionum artificio tam ingeniosè, & ad miraculum usq; consociatis: ut fateri oporteat; non Hominis, sed ipsius Spiritus Sancti, Musicam hanc Poëticam, cum Artibus & Disciplinis alijs, inventum esse. Multum autem refert, quam ad rem Naturæ quodam ductu quis feratur. Nihil enim invitâ dices, faciesvè Minervâ. Philosophantur non pari felicitate omnes, Philosophos qui se nominant. Neq; dicendi sunt omnes periti Oratores; esse qui volunt. Ita in tam numerosa Musicorum turba, neq; omnes sunt pares, neq; omnes ad unam eandemq; collimant metam, qui sunt circa hanc Artem exercendam occupati. Offert tamen Ecclesiæ Dei, cœtuiq; piorum vnusquisq; id, quod accepit à Domino. Ad me quod pertinet, Viri Magnifici, Domini honorandi; non diffiteor, Naturæ quodam impetu, ad Artem Musicam à primis incunabulis me quasi raptum esse: Quam quidem horis succisivis, quoties à studijs Theologicis gravioribus, & occupationibus alijs paululum ocij mihi concessum est, hactenus exercui, atq; verò adhuc in laudem Dei, & ut meipsum officij mei laboribus, alijsq; curis defatigatum recreem, interdum exerceo; Musicæ vel Instrumentali, vel Cantilenarum variarum vocum compositioni tempus aliquod tribuens. Neq; mihi Verbi Ministro vitio posse verti confido: quod gravitate, quæ nostrum decet ordinem, quasi remotâ, amabilem,

&

& flexanimam illam Musicam cum studio Theologico conjungo. Nam & Regius ille Propheta David Psalmos cecinit; & Citharam pulsavit: & circa fœderis Arcam magno cum tripudio saltavit: Immò & Cantorum Ordines in Domo Domini, tàm vocali, quàm Instrumentali Deum laudantes Musicâ, constitutos ab eo fuisse, Chronicorum liber abundè testatur. Taceo, quòd talentum illud, quod mihi benignissimus Deus noster in hujus Artis exercitatione cum multis alijs concredidit, non suffodiendum, sed cum eo lucrandum esse, Conscientia mea subinde mihi stimulum addit. Etsi verò hactenus persuaderi non potui: ut labores meos Musicos in publicum spargerem: vicerunt tamen suis me precibus tandem amici: ut, mutatâ sententiâ, typis eos exscriptos cum alijs communicare decreverim. Quantum in ijs præstiterim, judicent alij: qui sunt fundamentaliter hac in Arte versati. Mihi pergratum erit; præstantibus Artificibus æquiparari si nequeo; saltem in imis ut hæream subsellijs; & bonorum habeam testimonium, si maximè facultas desideretur, mihi tamen, & Deum celebrandi, & aures, animosq; auditorum demulcendi voluntatem non defuisse.

Vestris autem Magnificentijs, Viri Spectatissimi, primitias harum mearum Cantionum dedicare volui: propter Vrbis vestræ, & Reipublicæ splendorē: & quod Musicâ vos delectari, quod initiò monui, multorum sermonibus ubiq; spargitur. Veniam igitur mihi dabunt M.V.; quòd Eas tam audacter compello: & eo accipient hoc levidense munus animo, ex quo profectum est; benevolo nimirùm, & ornandi Vrbem vestram, & M. V. studiosissimo. Quod si vitæ mihi usuram longiorem vitæ nostræ largitor concesserit: totus in id ero: ut toti Christiano Orbi Nominis vestri celebritas innotescat. Benè valeant M. V. & me, studiaq; mea commendata sibi habeant. Gryphenbergæ Pomeranorum, Kalend. Octob. Anno post virgineum partum 1607.

DOMINIS SVIS DEBITA ANIMI summißione ſuſpiciendis.

MVSICAM artem, Magnifici, Prudentiſſimi, Spectatiſſimiq́, Viri, Nobiliſſimis veſtris Præſtantijs commendare ſi vellem, laterem me lavare, ſane ex meo audirem merito. Quod ſi enim ulla in hisce maritimis Oris Vrbs eſt: quæ Muſicam magnifacit artem; ejuſdemq́, Cultores amat: Certè GEDANVM eſt: Vrbs hoc ſeculo florentiſſima; & à Viris Doctiſſimis, & Muſicis peritiſſimis inſtructiſſima. Agnoſcitis nimirùm; non tantùm Artem hanc Origine ſua vetuſtiſſimam, verùm etiam donum Omnipotentis Dei, cœlitùs hominibus datùm, præſtantiſſimum eſſe: utpote quæ ſolius Dei gloriæ potiſſimùm inſervit: impetus mali Spiritus propellit: ad Pietatem, ſi modò pia ſit & Chriſtiana, bonosq́; mores animum inflectit: ſenſus mira ſonorum jucunditate permovet: affectus moderatur: animi dolores mitigat; & ad lætitiam inflammat. Eam ob cauſſam Muſica non tantùm in Eccleſijs veſtris; verùm etiam in alijs congregationibus publicis, non

ne magnis vestris sumtibus, & præmijs ampliſſimis, quæ in hanc Artem, quod à fide dignis accepi, liberalitate penè Regia impenditis, usurpatur quotidiè. Compertum habetis, eum ad modum Eccleſiam veterem Pſalmis Dei laudes celebrâſſe: & Chriſtianos, Plinij teſtimonio, Hymnos antelucanos decantare Chriſto ſuo ſolitos: immo, quod Tertullianus in Apologetico ſuo refert, fidelium cœnas, corpore frugaliter, atq; honeſtè refecto, Muſicâ, voluptatis gratiâ, decoratas fuiſſe Apoſtolorum verò tempore quo fuerit in loco Muſica, Paulus Apoſtolus non obſcurus eſt teſtis. Omnino enim in Pſalmis, Hymnis, & Canticis Spiritualibus canere, & gratias agere Deo in omnibus, Epheſinam à ſe ritè plantatam, & Coloſſenſem docet Eccleſiam.

Quod ſi verò ullo tempore fuit exculta Muſica: certe hoc ultimo noſtro ſeculo eleganter eſt exculta. Canimus enim non tantùm quatuor, quinq;, ſex, vel Octo: ſed 10, 12, 16, & pluribus vocibus; numerorum & proportionum artificio tam ingenioſe, & ad miraculum usq; conſociatis: ut fateri oporteat; non Hominis, ſed ipſius Spiritus Sancti, Muſicam hanc Poëticam, cum Artibus & Diſciplinis alijs, inventum eſſe. Multum autem refert, quam ad rem Naturæ quodam ductu quis feratur. Nihil enim invitâ dices, facies ve Minervâ. Philoſophantur non pari felicitate omnes, Philoſophos qui ſe nominant. Neq; dicendi ſunt omnes periti Oratores; eſſe qui volunt. Ita in tam numeroſa Muſicorum turba, neq; omnes ſunt pares, neq; omnes ad unam eandemq; collimant metam, qui ſunt circa hanc Artem exercendam occupati. Offert tamen Eccleſiæ Dei, cœtuiq; piorum vnusquiſq; id, quod accepit à Domino. Ad me quod pertinet, Viri Magnifici, Domini honorandi; non diffiteor, Naturæ quodam impetu, ad Artem Muſicam á primis incunabulis me quaſi raptum eſſe: Quam quidem horis ſucciſivis, quoties à ſtudijs Theologicis gravioribus, & occupationibus alijs paululum ocij mihi conceſſum eſt, hactenus exercui, atq; verò adhuc in laudem Dei, & ut meipſum officij mei laboribus, alijsq; curis defatigatum recreem, interdum exerceo; Muſicæ vel Inſtrumentali, vel Cantilenarum variarum vocum compoſitioni tempus aliquod tribuens. Neq; mihi Verbi Miniſtro vitio poſſe verti confido: quod gravitate, quæ noſtrum decet ordinem, quaſi remota, amabilem,

&

& flexanimam illam Muficam cum ſtudio Theologico conjungo. Nam & Regius ille Propheta David Pſalmos cecinit; & Citharam pulſavit: & circa fœderis Arcam magno cum tripudio ſaltavit: Immò & Cantorum Ordines in Domo Domini, tàm vocali, quàm Inſtrumentali Deum laudantes Muſicâ, conſtitutos ab eo fuiſſe, Chronicorum liber abundè teſtatur. Taceo, quòd talentum illud, quod mihi benigniſſimus Deus noſter in hujus Artis exercitatione cum multis alijs concrediderit, non ſuffodiendum, ſed cum eo lucrandum eſſe, Conſcientia mea ſubinde mihi ſtimulum addit. Etſi vero hactenus perſuaderi non potui: ut labores meos Muſicos in publicum ſpargerem: vicerunt tamen ſuis me precibus tandem amici: ut, mutatâ ſententiâ, typis eos exſcriptos cum alijs communicare decreverim. Quantum in ijs præſtiterim, judicent alij: qui ſunt fundamentaliter hac in Arte verſati. Mihi pergratum erit; præſtantibus Artificibus æquiparari ſi nequeo; ſaltem in imis ut hæream ſubſellijs; & bonorum habeam teſtimonium, ſi maximè facultas deſideretur, mihi tamen, & Deum celebrandi, & aures, animoſq; auditorum demulcendi voluntatem non defuiſſe.

Veſtris autem Magnificentijs, Viri Spectatiſſimi, primitias harum mearum Cantionum dedicare volui: propter Vrbis veſtræ, & Reipublicæ ſplendorē: & quòd Muſicâ vos delectari, quod initiò monui, multorum ſermonibus ubiq; ſpargitur. Veniam igitur mihi dabunt M.V.; quod Eas tam audacter compello: & eo accipient hoc levidenſe munus animo, ex quo profectum eſt; benevolo nimirùm, & ornandi Vrbem veſtram, & M. V. ſtudioſiſſimo. Quod ſi vitæ mihi uſuram longiorem vitæ noſtræ largitor conceſſerit: totus in id ero: ut toti Chriſtiano Orbi Nominis veſtri celebritas innoteſcat. Bene valeant M. V. & me, ſtudiaq; mea commendata ſibi habeant. Gryphenbergæ Pomeranorum, Kalend. Octob. Anno poſt virgineum partum 1607.

DOMINIS SVIS DEBITA ANIMI summißione ſuſpiciendis.

MVSICAM artem, Magnifici, Prudentiſſimi, Spectatiſſimiq;, Viri, Nobiliſſimis veſtris Præſtantijs commendare ſi vellem, laterem me lavare, ſanè ex meo audirem merito. Quòd ſi enim ulla in hisce maritimis Oris Vrbs eſt: quæ Muſicam magnifacit artem; ejuſdemq;, Cultores amat: Certè GEDANVM eſt: Vrbs hoc ſeculo florentiſſima; & à Viris Doctiſſimis, & Muſicis peritiſſimis inſtructiſſima. Agnoſcitis nimirùm; non tantùm Artem hanc Origine ſua vetuſtiſſimam, verùm etiam donum Omnipotentis Dei, cœlitùs hominibus datum, præſtantiſſimum eſſe: utpote quæ ſolius Dei gloriæ potiſſimùm inſervit: impetus mali Spiritus propellit: ad Pietatem, ſi modò pia ſit & Chriſtiana, bonosq; mores animum inflectit: ſenſus mira ſonorum jucunditate permovet: affectus moderatur: animi dolores mitigat; & ad lætitiam inflammat. Eam ob cauſſam Muſica non tantùm in Eccleſijs veſtris; verùm etiam in alijs congregationibus publicis, non

sine magnis vestris sumtibus, & præmiis ampliſſimis, quæ in hanc Artem, quod à fide dignis accepi, liberalitate penè Regia impenditis, usurpatur quotidiè. Compertum habetis, eum ad modum Eccleſiam veterem Pſalmis Dei laudes celebrâſſe: & Chriſtianos, Plinij teſtimonio, Hymnos antelucanos decantare Chriſto ſuo ſolitos: immò, quod Tertullianus in Apologetico ſuo refert, fidelium cœnas, corpore frugaliter, atq; honeſtè refecto, Muſicâ, voluptatis gratiâ, decoratas fuiſſe. Apoſtolorum verò tempore quo fuerit in loco Muſica, Paulus Apoſtolus non obſcurus eſt teſtis. Omninò enim in Pſalmis, Hymnis, & Canticis Spiritualibus canere, & gratias agere Deo in omnibus, Epheſinam à ſe ritè plantatam, & Coloſſenſem docet Eccleſiam.

Quod ſi verò ullo tempore fuit exculta Muſica: certè hoc ultimo noſtro ſeculo eleganter eſt exculta. Canimus enim non tantùm quatuor, quinq;, ſex, vel Octo: ſed 10, 12, 16, & pluribus vocibus; numerorum & proportionum artificio tam ingenioſè, & ad miraculum uſq; conſociatis: ut fateri oporteat; non Hominis, ſed ipſius Spiritus Sancti, Muſicam hanc Poëticam, cum Artibus & Diſciplinis alijs, inventum eſſe. Multum autem refert, quam ad rem Naturæ quodam ductu quis feratur. Nihil enim invitâ dices, faciesvè Minervà. Philoſophantur non pari felicitate omnes, Philoſophos qui ſe nominant. Neq; dicendi ſunt omnes periti Oratores; eſſe qui volunt. Ita in tam numeroſa Muſicorum turba, neq; omnes ſunt pares, neq; omnes ad unam eandemq; collimant metam, qui ſunt circa hanc Artem exercendam occupati. Offert tamen Eccleſiæ Dei, cœtuiq; piorum vnusquiſq; id, quod accepit à Domino. Ad me quod pertinet, Viri Magnifici, Domini honorandi; non diffiteor, Naturæ quodam impetu, ad Artem Muſicam á primis incunabulis me quaſi raptum eſſe: Quam quidem horis ſucciſivis, quoties à ſtudijs Theologicis gravioribus, & occupationibus alijs paululum ocij mihi conceſſum eſt, hactenus exercui, atq; verò adhuc in laudem Dei, & ut meipſum officij mei laboribus, alijsq; curis defatigatum recreem, interdum exerceo; Muſicæ vel Inſtrumentali, vel Cantilenarum variarum vocum compoſitioni tempus aliquod tribuens. Neq; mihi Verbi Miniſtro vitio poſſe verti confido: quòd gravitate, quæ noſtrum decet ordinem, quaſi remotâ, amabilem,

&

& flexanimam illam Musicam cum studio Theologico conjungo. Nam & Regius ille Propheta David Psalmos cecinit; & Citharam pulsavit: & circa fœderis Arcam magno cum tripudio saltavit: Immo & Cantorum Ordines in Domo Domini, tàm vocali, quàm Instrumentali Deum laudantes Musicâ, constitutos ab eo fuisse, Chronicorum liber abundè testatur. Taceo, quòd talentum illud, quod mihi benignissimus Deus noster in hujus Artis exercitatione cum multis alijs concredidit, non suffodiendum, sed cum eo lucrandum esse, Conscientia mea subinde mihi stimulum addit. Etsi verò hactenus persuaderi non potui: ut labores meos Musicos in publicum spargerem: vicerunt tamen suis me precibus tandem amici: ut, mutatâ sententiâ, typis eos exscriptos cum alijs communicare decreverim. Quantum in ijs præstiterim, judicent alij: qui sunt fundamentaliter hac in Arte versati. Mihi pergratum erit; præstantibus Artificibus æquiparari si nequeo; saltem in imis ut hæream subsellijs; & bonorum habeam testimonium, si maximè facultas desideretur, mihi tamen, & Deum celebrandi, & aures, animosq; auditorum demulcendi voluntatem non defuisse.

Vestris autem Magnificentijs, Viri Spectatissimi, primitias harum mearum Cantionum dedicare volui: propter Vrbis vestræ, & Reipublicæ splendorē: & quòd Musicâ vos delectari, quod initiò monui, multorum sermonibus ubiq; spargitur. Veniam igitur mihi dabunt M.V.; quòd Eas tam audacter compello: & eo accipient hoc levidense munus animo, ex quo profectum est; benevolo nimirùm, & ornandi Vrbem vestram, & M. V. studiosissimo. Quod si vitæ mihi usuram longiorem vitæ nostræ largitor concesserit: totus in id ero: ut toti Christiano Orbi Nominis vestri celebritas innotescat. Benè valeant M. V. & me, studiaq; mea commendata sibi habeant. Gryphenbergæ Pomeranorum, Kalend. Octob. Anno post virgineum partum 1607.

Amicorum Epigrammata, & προσφωνήσεις.

MArce, quid exspectas? quin tandem, Numine fausto,
Ingenij, quod habes, diuitis illud opus
Edis in hanc lucem? ne, quaeso, reconde talentum,
Quod tecum lucro reddere mandat Herus.

Crede; Deo gratum libabis aroma: volabit
Et tua doctorum fama per ora virûm.
Quin etiam invenies, qui praemia digna rependent,
Quos recreat Cantu Musica blanda suo.
Sed majora dabit, post ultima fata, IEHOVA:

DN. BVRGGRAVIO, PRÆCONSVLI, ET CONSVLIBVS; *NEC NON TOTI SPLENDIDISSIMO Ordini Senatorio Inclytæ Regiæ Civitatis* GEDANENSIS.

DOMINIS SVIS DEBITA ANIMI summißione ſuſpiciendis.

MVSICAM artem, Magnifici, Prudentiſſimi, Spectatiſſimiq, Viri, Nobiliſſimis veſtris Præſtantijs commendare ſi vellem, laterem me lavare, ſanè ex meo audirem merito. Quòd ſi enim ulla in hisce maritimis Oris Vrbs eſt: quæ Muſicam magnifacit artem; ejuſdemq, Cultores amat: Certè GEDANVM eſt: Vrbs hoc ſeculo florentiſſima; & à Viris Doctiſſimis, & Muſicis peritiſſimis inſtructiſſima. Agnoſcitis nimirùm, non tantùm Artem hanc Origine ſua vetuſtiſſimam, verùm etiam donum Omnipotentis Dei, cœlitùs hominibus datum, præſtantiſſimum eſſe: utpote quæ ſolius Dei gloriæ potiſſimùm inſervit: impetus mali Spiritus propellit: ad Pietatem, ſi modò pia ſit & Chriſtiana, bonosq; mores animum inflectit: ſenſus mira ſonorum jucunditate permovet: affectus moderatur: animi dolores mitigat; & ad lætitiam inflammat. Eam ob cauſſam Muſica non tantùm in Eccleſijs veſtris; verùm etiam in alijs congregationibus publicis, non

sine magnis vestris sumtibus, & præmijs amplissimis, quæ in hanc Artem, quod à fide dignis accepi, liberalitate penè Regia impenditis, usurpatur quotidiè. Compertum habetis, eum ad modum Ecclesiam veterem Psalmis Dei laudes celebrâsse: & Christianos, Plinij testimonio, Hymnos antelucanos decantare Christo suo solitos: immò, quod Tertullianus in Apologetico suo refert, fidelium cœnas, corpore frugaliter, atq; honestè refecto, Musicâ, voluptatis gratiâ, decoratas fuisse. Apostolorum verò tempore quo fuerit in loco Musica, Paulus Apostolus non obscurus est testis. Omninò enim in Psalmis, Hymnis, & Canticis Spiritualibus canere, & gratias agere Deo in omnibus, Ephesinam à se ritè plantatam, & Colossensem docet Ecclesiam.

Quod si verò ullo tempore fuit exculta Musica: certè hoc ultimo nostro seculo eleganter est exculta. Canimus enim non tantùm quatuor, quinq;, sex, vel Octo: sed 10, 12, 16, & pluribus vocibus; numerorum & proportionum artificio tam ingeniosè, & ad miraculum usq; consociatis: ut fateri oporteat; non Hominis, sed ipsius Spiritus Sancti, Musicam hanc Poëticam, cum Artibus & Disciplinis alijs, inventum esse. Multum autem refert, quam ad rem Naturæ quodam ductu quis feratur. Nihil enim invitâ dices, faciesvè Minervâ. Philosophantur non pari felicitate omnes, Philosophos qui se nominant. Neq; dicendi sunt omnes periti Oratores; esse qui volunt. Ita in tam numerosa Musicorum turba, neq; omnes sunt pares, neq; omnes ad unam eandemq; collimant metam, qui sunt circa hanc Artem exercendam occupati. Offert tamen Ecclesiæ Dei, cœtuiq; piorum vnusquisq; id, quod accepit à Domino. Ad me quod pertinet, Viri Magnifici, Domini honorandi; non diffiteor, Naturæ quodam impetu, ad Artem Musicam à primis incunabulis me quasi raptum esse: Quam quidem horis succisivis, quoties à studijs Theologicis gravioribus, & occupationibus alijs paululum ocij mihi concessum est, hactenus exercui, atq; verò adhuc in laudem Dei, & ut meipsum officij mei laboribus, alijsq; curis defatigatum recreem, interdum exerceo; Musicæ vel Instrumentali, vel Cantilenarum variarum vocum compositioni tempus aliquod tribuens. Neq; mihi Verbi Ministro vitio posse verti confido: quòd gravitate, quæ nostrum decet ordinem, quasi remotâ, amabilem,

&

& flexanimam illam Musicam cum studio Theologico conjungo. Nam & Regius ille Propheta David Psalmos cecinit; & Citharam pulsavit: & circa fœderis Arcam magno cum tripudio saltavit: Immò & Cantorum Ordines in Domo Domini, tàm vocali, quàm Instrumentali Deum laudantes Musicâ, constitutos ab eo fuisse, Chronicorum liber abundè testatur. Taceo, quòd talentum illud, quod mihi benignissimus Deus noster in hujus Artis exercitatione cum multis alijs concredidit, non suffodiendum, sed cum eo lucrandum esse, Conscientia mea subinde mihi stimulum addit. Etsi verò hactenus persuaderi non potui: ut labores meos Musicos in publicum spargerem: vicerunt tamen suis me precibus tandem amici: ut, mutatâ sententiâ, typis eos exscriptos cum alijs communicare decreverim. Quantum in ijs præstiterim, judicent alij: qui sunt fundamentaliter hac in Arte versati. Mihi pergratum erit; præstantibus Artificibus æquiparari si nequeo; saltem in imis ut hæream subsellijs; & bonorum habeam testimonium, si maximè facultas desideretur, mihi tamen, & Deum celebrandi, & aures, animosq; auditorum demulcendi voluntatem non defuisse.

Vestris autem Magnificentijs, Viri Spectatissimi, primitias harum mearum Cantionum dedicare volui: propter Vrbis vestræ, & Reipublicæ splendorẽ: & quòd Musicâ vos delectari, quod initiò monui, multorum sermonibus ubiq; spargitur. Veniam igitur mihi dabunt M. V.; quòd Eas tam audacter compello: & eo accipient hoc levidense munus animo, ex quo profectum est; benevolo nimirùm, & ornandi Vrbem vestram, & M. V. studiosissimo. Quod si vitæ mihi usuram longiorem vitæ nostræ largitor concesserit: totus in id ero: ut toti Christiano Orbi Nominis vestri celebritas innotescat. Benè valeant M. V. & me, studiaq; mea commendata sibi habeant. Gryphenbergæ Pomeranorum, Kalend. Octob. Anno post virgineum partum 1607.

NOVARVM CANTIONVM; REVERENDI, ET DOCTISSIMI VIRI: DN. MAGISTRI IOACHIMI MARCI: Pastoris & Præpositi Ecclesiæ & Synodi Gryphenbergensis in Pomerania: MVSICI excellentissimi:

Amicorum Epigrammata, & προσφωνήσεις.

MArce, quid exspectas? quin tandem, Numine fausto,
Ingenij, quod habes, divitis illud opus
Edis in hanc lucem? ne, quaeso, reconde talentum,
Quod tecum lucro reddere mandat Herus.
Audiat haec praesens, & postera concinat aetas,
Carmina, Chalcographis publica facta typis.
Crede; Deo gratum libabis aroma: volabit
Et tua doctorum fama per ora virûm.
Quin etiam invenies, qui praemia digna rependent,
Quos recreat Cantu Musica blanda suo.
Sed majora dabit, post ultima fata, IEHOVA:
Quando reservatas percipiemus opes.
Tunc quoq; cœlesti, cum sanctis, sede receptus
Aligeros fratres Musicus inter eris.

M. ADAM HAMEL: Superintendens Ecclesiarum in Pomerania: in Diœcesi Camminensi.

IOI MVSICAM CVRAS.

HArmonico quem non flectit sacra Musica flexu,
Nec reficit docili pollice tacta Chelys:
Aut lapis, aut lepus, aut lupus est, aut truncus agrestis,
Qui motum nescit, qui ratione caret.

Particula

Particula illa animæ longè divinior est: quæ
Organicis gaudet flexibus atq́, sonis.
MARCE DEI Mystes, tuus è meliore metallo
Formatus sanguis, vivificusq́; vigor.
Psallis Io! pulcro pulcros modulamine Cantus.
MVSICAM amas, CVRAS, practicus eximius.
Quàm benè conveniunt, & in una mente locantur,

MARCI; sibi concredita munera
Promentes promant posthac quod floreat usq́,

Tu IOACHIME facis. facias Ioachime deinceps,
Apollo quem Cantor catus instruit.
Sacra sacer Præses nobis apponere gaudes
Quæ sacra condis dulcisonâ Cheli.
Intima subsultant, ego cùm tua Musica tracto,
Quæ tracto lætus, lætus ad omnia.
O bone perge Dei lautas diffundere laudes:
Cœlestis ut tu Musicus audias.
Qui laudat Christum terreno carcere clausus,
Laudabit illum liber in æthere.
